## Mitchell's WHEEL OF FORTUNE

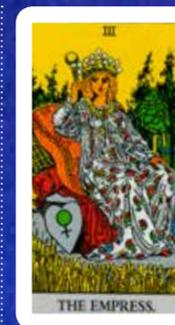

Use my simple tarot wheel of fortune to find out what the cards hold in store for you

### How to consult the cards

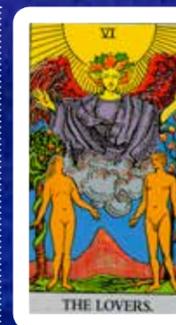

Close your eyes and trace your index finger around the wheel in a clockwise direction. Ask a specific question if you wish, or simply ask, "What do I need to know?" When you feel drawn to a card, stop circling and open your eyes to see which card you've chosen and read its meaning. If you land between two cards, read both explanations.
